In the first inning the Midgets were leading 5 to 0 but the Stedman girls came out leading 14 to 9 at the end of the game. Wynell Kidd pitched for the Fords in the absence of Myrl Reichert and Frances Burken who pitched her second game for the Midgets gave the team renewed courage.

The final game was played between Laake's sluggers and the Horned Frogs. Hilda Hollingsworth was in rare form and struck out 12 of the Laake's batters while her team was winning 12 to 9.

### SUICIDE NOTE IS FOUND NEAR BODY

L. B. Lummus, ginner at Gause, died at 11 o'clock Wednesday morning in Milano from the effects of poison.

Workers on the highway, a short distance from Milano, found Lummus in a truck. He appeared to be violently ill and was driven to Milano for medical aid but died shortly after the truck reached the city.

A suicide note was found in the truck along with four letters. One of the letters was addressed to a doctor in Hearne, one to his wife and one to his daughter. The fourth letter was addressed to W. A. Morrison, district attorney, it was reported to the Herald.

Mr. Lummus is believed to have mixed the poison with liquor as a partially filled bottle of liquor was found in the truck and another bottle purchased in Caldwell is believed to have contained a poison.

Dr. Clifford Swift was summoned but Lummus was dead before the doctor reached Milano.

### FORMER CAMERON MAN IS CHARGED

J. B. McLane, a former resident of Cameron, is being held on a charge of assault with intent to murder, according to the following story from a Houston newspaper:

Too seriously wounded to tell how she was shot in the left breast, Mrs. Jessie George McLane, 47, was in St. Joseph's Infirmary Saturday.

Her husband, J. B. McLane, 46, for 20 years a post office clerk, told police "it was just a family argument," in the home at 4409 Polk street, after Mrs. McLane and her son and his wife, Mr. and Mrs. Geo. Lucas, Jr., had returned from a movie. The Lucas' had returned to their garage apartment in the rear of the McLane home, when Mrs. McLane's screams aroused them and a neighbor, W. A. Davis, 4405 1-2 Polk avenue.

Lucas told police that when he reached his mother, she was in the hallway, wounded. McLane said, according to police, "Let's get her upstairs and call the police and an ambulance."

McLane, police said, told them he had thrown the gun out a window. They found a .38 automatic pistol outside, near the house.

McLane was taken to jail, and then charged in Justice of the Peace Ragan's court with assault to murder.

Questioned by Homicide Captain George Peyton, McLane, according to police, admitted the shooting, but said that he would "rather not make a statement at this time."

Mr. and Mrs. W. T. Whatley, Jr., spent Tuesday night in Commerce.

### THE NYA HOME IN HUNTSVILLE

By ALMA JEAN GUNNELS

Housed in a two-storied, red-brick building the NYA home of Huntsville takes care of approximately thirty girls each two week period. These girls work in town at various jobs, but a part of their time is spent in learning how to build a home. If the NYA home itself is to be an example, the girls in the house now won't have any trouble with their homes.

Miss Polly Carter, a graduate of Sam Houston State Teachers College in Home Economics is deeply interested in her work as teacher in the NYA home. She will gladly show visitors around the house and grounds and I am sure you will come away fired with an ambition to be an NYA teacher.

The cots in the girls' bed rooms are each covered by a white chenille bed spread made and designed by the girls. They also have built closets out of a rod and six orange boxes for the rooms without closets. They nailed three boxes end to end, leaving ends and partitions in to serve as shelves, and securely fastened the rod through the top half of the top box. This frame was more than covered by a cretonne curtain making a pretty as well as servicable addition to the room.

### 3 RUN OFF RACES IN MILAM COUNTY

Based upon returns from the Primary election on Saturday, July 27, only one new face will appear in the group photo of Milam County's officialdom.

The new face is that of the refreshing youth, Valter White of Maysfield, who won the nomination for sheriff, defeating R. M. Kennedy in a close election. Mr. White received 3596 votes and Mr. Kennedy received 3459. The winner is 31 years old.

Three run-off campaigns will have to be faced by as many office holders. They are Mrs. Guy T. Newton, County Superintendent, who will have as her opponent Chas. M. Hicks of Cameron.

The veteran Penn Wolf who ran second to W. C. (Nig) Moody is in the run-off with Moody. Third in the race was Grady Allen. In the totals Moody is leading Mr. Wolf by more than 500 votes.

W. A. (Bill) Morrison, facing the criticism of having moved the District Attorney's office from the court house to his own office building and residence, led the ticket but must go into run-off with Nelson Green, young lawyer. Third man in this race was William C. Wallace, City Attorney.

Judge Jeff T. Kemp gained an impressive victory over Charles C. Smith by a majority of almost 2,000 votes. This evidence of popularity was a tribute as significant as any received in the long political record of Judge Kemp.

Judge Graham Gillis was renominated for District Judge over Jack Lewis, former Criminal District Attorney by the magnificent majority of 1964 votes. This was one of the most impressive victories scored in any political contest in recent years.

Sharing the limelight of the victors is Bill Alex Bonds who defeated Judd G. Davis by 1438 votes. The veteran official Bonds demonstrated the strength of his popularity in this thorough appeal to the people of Milam County.

Another race of unusual results so far as victory goes saw Homer Nabours, County Clerk, receive the laurels in a smashing majority over R. L. Storey. Regarded as one of the strong men of history in Milam County politics Mr. Nabours polled 4724 votes while Mr. Storey got 2365 votes.

R. A. Devers, who has been county Treasurer for several terms, was able to defeat both opponents and capture the nomination. Miss Vera Fisher of Hanover was second with 2165 votes. Mr. Devers received a total of 3772 votes.

Reese Turner running for a second term as Representative made an impressive race by gaining victory over two opponents. His total vote was 3679 with J. P. Sparks receiving 1767 and Fred Jackson receiving 1601 votes.

The dressing tables were made by joining two orange boxes together with a board and hanging a mirror over the table. This arrangement gives one leg room between the boxes and the partitions of the boxes serve as shelves. The top of the table can be made as big as desired by moving the boxes further apart. A two-piece curtain was gathered on a string and tacked around the top. A nail keg was covered by a cushion with a ruffle that reached the floor and the result was as pretty a dressing unit as anyone could want.

In a garage apartment just back of the house, the girls have their laundry equipment and upstairs they have a work room where they do their hand work.

A picturesque ditch runs by one side of the house. On the hill overlooking this curve, tables, benches, and grill have been placed for out door meals and picnics.

This NYA home is doing a good work so well that others will surely be inspired to bigger and better NYA homes.

Mrs. M. Janeway left for Fort Worth Wednesday for two days.

Lorene Law of Bryan is visiting her aunt, Mrs. Clara Thomas.

## NEW DISCORD AT HAVANA CONFERENCE

Angered by the action of the United States Government in placing an embargo on scrap iron and oil the government of Japan today indicated that reprisals will follow against America.

President Roosevelt placed an embargo on scrap iron as a national defense measure to preserve vital war materials.

Japan threatened to seriously interfere with America's rubber supply from the Far East.

If the threat of Japan should extend to open retaliation, serious international repercussions might occur.

The war over night had produced no important developments.

In Havana where Secretary Hull is attempting to solidify the Western Hemisphere by a common pact among new world nations, the question of self determination had precipitated a vigorous discussion.

Mrs. Ralph Clark who has been visiting her daughter, Mrs. Myrl Pittman in Whittington, Indiana, for the past five weeks has returned home.

Mr. and Mrs. Heeling Hubert and Claud Burton of Houston visited relatives here over the week end.

Paul Olbrich of Burlington visited in Cameron Saturday night.

## FOOD HANDLERS TO OPEN SCHOOL TONIGHT

Food handlers in Cameron were deeply interested in the opening session of the school at 8 p. m. Wednesday in the Yoe High School study hall.

Louis Dodson of the State health department will give lectures and also direct an educational film.

At the opening session of the school food handlers in the city are urgently requested to attend the school because the plan is to educate the consumers of the city to the value and necessity of proper methods of handling food.

Henry Orgain, sanitarian, will have the responsibility for permanent benefits to be obtained from the operation of this school. Mr. Orgain is a graduate of A & M college, class of 1939, with special work in sanitary engineering.

Mr. Orgain spent three months last summer in Michigan as student sanitarian with the W. K. Kellogg Foundation.

He was in the East Texas oil field from October to July 1st this year on stream pollution work with the State Health Department.

Each afternoon at 3 p. m. the school will be in operation beginning Thursday. Housewives and consumers generally, should attend these classes. At 8 p. m. in the evening food handlers as well as consumers are urged to attend.

Miss Sidney Stidham of Houston is visiting in Cameron with relatives and friends.

### To the People of Milam County:

I wish to express my great appreciation for the many courtesies extended to me during the course of the recent political campaign and to state that I entered the contest for Criminal District Attorney because I believed that I was qualified, and was ambitious to serve the State and County within my profession; and while I am naturally disappointed, yet I feel no chagrin or resentment to the majority who did not wish to call me into that service. To the very large number who honored me with their confidence and support I express my ever lasting gratitude. I had much rather have lost with them than to have won without them.

Very sincerely,  
WM. C. WALLACE.

### To the People of Constable Precinct 1.

### Way "Build-up" Helps Will Interest Women

The cause of a woman's periodic suffering from headache, irritability, cramp-like pain, may be functional dysmenorrhea due to malnutrition, a condition that is often helped by CARDUI.

Principal way CARDUI helps is by stimulating appetite and the flow of gastric juices. Thus it may aid digestion; help build up a woman's strength, energy and nerve-force; so increase physical resistance to periodic discomfort.

It also helps reduce periodic distress for many who take it a few days before and during "the time." Your confidence in CARDUI is invited by its 50 years of popularity.

### ELECTION RETURNS ARE VOLUMINOUS

Election returns from the July Primary in Milam County consumed more space than was possible to allot in the Little Daily and it will be impossible to carry all of the tables.

More linetype composition was required for these returns than any in the history of the county. The publishers regret that the weekly Herald can not be issued until sometime Friday.

### To the People of Milam County

There is no way I can adequately express my gratitude for the vote I received. To receive such an expression of confidence is to experience a feeling of thankfulness that seldom can come to anyone.

I want each one to know how very much I appreciate their vote. Especially does it give me cause for this expression when I think of the vote I received in my home city of Cameron.

I will always be grateful. I will strive every day of my life to merit your confidence. Thank you, each one.

### To the People of Milam County

I am deeply grateful for the splendid majority which you gave me on last Saturday, resulting in my nomination for the office of Assessor and Collector of Taxes.

When I think of the loyal friends who helped me in the campaign and all those who voted for me, my gratitude knows no bounds. My majority was large.

To those who voted for my opponent I express and feel the utmost good will and I ask their co-operation in the discharge of the duties of this office.

To say that I am thankful and deeply obligated to my friends and all those who voted for me falls short of my true gratitude.

I wish I could see each one personally to thank them and to assure them I will never forget the favors and support they gave me.

BILL ALEX BONDS,  
Assessor and Collector of Taxes.

Jimmie O'Neill of Burlington is spending the week with his cousin, T. J. O'Neill.

Jack Sharoff of New York City just arrived in Cameron with a complete line of holiday goods.

Cameron firemen battled for three hours early today to extinguish a fire which almost destroyed a large barn and storage building at the H. E. Graham home in east Cameron.

Origin of the fire has not been determined. Stored in the building were a large amount of apiary supplies and honey, also a pickup truck.

Firemen encountered great difficulty in fighting the blaze but succeeded in saving a portion of the building and adjoining property.

This was the third alarm, one a negro residence in the north west part of town, the other an automobile somewhere in the vicinity of the candidate rally on the public square.

No estimate of the damage at the Graham home has been made.

Ed S. Lumpkin of New Salem transacted business in Cameron Thursday.

Markham's softball team won the city softball tournament just completed by virtue of three wins and no defeats. The Markham crew proved that they had championship ability in coming from behind in both of their last two games. Coca Cola jumped into a three run lead in the first inning, but the hustling Markham crew came back strong and ran across 6 runs in the fourth inning.

The final score was 12 to 9. Frank Ermis hit the first ball pitched by Cecil Tindall for a home run, but Tindall settled down to pitch his third straight victory.

CARD OF THANKS

We wish to express our sincere thanks to our friends and neighbors who came to our assistance during our recent great bereavement in the death of our husband and father. We thank those who gave flowers to express their sympathy and all who in any way assisted us.

Mrs. W. T. Isham and Family.

To the People of Milam County:

To say that I am grateful to the people is not enough to express my appreciation. I wish I could see each one personally to thank them for their vote and support in the Primary election on Saturday, July 27th, when I was nominated for Sheriff of Milam County.

While I am supremely happy over the results of the election I am mindful of the responsibilities of the office I will soon hold under your generous confidence.

It is of the utmost importance to you and to me to realize that a public office carries with it a trust and responsibility we must ever respect because those who serve should always merit the esteem of the people.

It will be my responsibility soon to select men to serve with me. I consider this important and I will exercise every precaution to fulfill the expectations of the people who demand men worthy and qualified. It is more important to me that I have the confidence and co-operation of the people.

Please be assured that I want your help. I want to make you a good Sheriff. My official conduct will always be the same as that which has characterized me as a citizen which I trust has always been honorable and upright.

With a heart full of gratitude and full realization of my responsibilities, I thank each one.

VALTER WHITE,  
Nominee for Sheriff, Milam County.

## Election Returns In Daily Herald

Complete returns from the Primary election in Milam county, will be printed in the Daily Herald. Space is limited and tables will be printed each day until all have appeared.

Grand totals of all races will be printed in the Daily Tuesday along with other tables in other races. These totals will also show the returns from the state as well as the county races.

John S. Burns of Austin spent the week end in Cameron with friends.

## WAR

August 15 is the day on which Adolf Hitler will begin his blitzkrieg against England, according to a Berlin news dispatch which reached the Daily Herald shortly afternoon today.

The broadcast indicated that for some time members of the German General Staff and Hitler have been in disagreement on methods to be pursued but indications were that an agreement has been reached.

The German government was authoritatively reported to anticipate heavy casualties in the coming attack on the British Isles and at many places in the interior of the Reich large hospitals are being constructed to take care of German soldiers who will be wounded in the forthcoming battles to end the British empire.

There was little of no effort to discount the German statement. It was believed that Hitler is so confident of success that he does not hesitate to advertise in advance his

plan for conquest of England.

Until the blitzkrieg is forthcoming there was little to report from the battlefield.

Hitler was believed to be composing all differences among Balkan states as a prelude to the final battle and German bombing planes were exacting a heavy toll of merchant shipping in the channel.

## EDITOR GETS TWO GOURDS

Kind friends came to the rescue of the Herald publisher within a short time Friday afternoon when two fine gourds ready for use were brought in by Moody Hays of the Community Public Service Company.

Mr. Hays has a number of other gourds almost ready for harvest and the sentimental attachment of the editor for this famous type of rural drinking cup will be satisfied for years to come, thanks to Mr. Hays.

Mrs. Tom Evard has just returned to Minerva from San Marcos where she attended college for the summer semester.

## MODEL AIRPLANE FLIGHTS

The model airplane contest began Monday and a number of speedy flights have been reported.

The second series of flights will be held Wednesday morning at 9:30 in R. L. Batte's pasture on Highway 77. The public is cordially invited to witness these contests.

## Food Handlers to Hold School Here

From day to day the Daily Herald will bring more news of this school.

Harry Moore visited his wife in Waco over the week end.

Vegetable Laxative  
Has Important Points

Most people want a laxative to do three things: (1) act punctually, (2) act thoroughly, (3) act gently. Here's one that usually fills all three requirements when the easy directions are followed. It's an all-vegetable product whose principal ingredient has medical recognition as an "intestinal tonic-laxative."

That's the ingredient which enables BLACK-DRAUGHT to help tone lazy bowel muscles. It is the main reason for the satisfying relief from constipation that generally follows next morning when BLACK-DRAUGHT is taken at bedtime. The millions of packages used are proof of its merit.

Miss Carolyn Cheeves entertained with a swimming party Thursday evening at the Wilson-Ledbetter Park, followed with an enjoyable picnic lunch. Miss Cheeves named as honor guest Mrs. John Young, of Odessa, who formerly lived in Cameron, and is better known as Miss Patsy McGregor.

Mr. and Mrs. Mote Triggs and Mrs. Triggs' mother, Mrs. Tucker, all of Houston spent the week end in the home of Mr. and Mrs. R. A. Triggs.

Bart Cahill of Burlington transacted business in Cameron Monday.

Mrs. Beulah Burns and children and Mrs. Ola Dobbins all of Austin spent the week end in Cameron.

Mrs. Charlie Nabours and children are visiting her parents in Thornton.

Mrs. Georgia Lott Foster, who is with the Methodist hospital in Houston, was a week end guest of Miss Aetna Smith. Mrs. Foster formerly lived in Cameron and many friends were pleased to greet her on her return visit.

## To the People of Milam County

I desire to express to the people of Milam County my sincere appreciation for the support they gave me on Saturday, July 27, in my race for Assessor and Collector of Taxes.

Although I was defeated for the nominations I am deeply grateful for the courtesy and the kindness shown me by the people. I want to thank my loyal friends and to assure those who voted for my opponent that I hold no ill will, only the kindest of feeling.

In the spirit of friendship and appreciation I send my thanks to all.

JUDD G. DAVIS

## To the People of Milam County

There are no words to say what my heart feels for the splendid vote which you gave me on Saturday, July 27, enabling me to lead the ticket for District Clerk.

When I say I thank you it is from the heart. To my friends the deepest gratitude and to all of the people the kindest regards.

I ask your vote and support on August 24, in the run off Primary because I need this office and I am a young man wanting an opportunity; and I will be grateful all the days of my life if you will give me the opportunity.

W. C. (Nig) MOODY,  
Candidate for District Clerk.

## INSURANCE COMPANY EXPERIENCE

In the June, 1940, number of "Trimmings," published by North & Judd Manufacturing Co., there is an interesting article that tells of the action of a large insurance company with reference to farms that it has taken over by foreclosure. Here is the item:

"A large insurance company has thousands of farms taken over by deed or foreclosure, which have been rehabilitated and rented or sold. From the reports of operations of these farms, the Agricultural Director has come to the conclusion that tractors are unprofitable, and have no place on farms of less than 160 acres. Those farms can show better incomes and higher profits if they depend on horse power.

"This conclusion should be reliable, because of the vast amount of accurate data on which it is based. If it is, it applies to approximately 5,000,000 of the 6,812,350 farms in the United States
